Help fulfill the promise of saving lives and end breast cancer forever.

Koch Filter Corporation, a world class manufacturer of high quality air filtration products since 1966, is donating at least \$30,000.00 to Susan G. Komen for the Cure® in connection with the "Pink" Filtration Products Crafted with Pride campaign for North America. From August 1st 2011 - October 31st 2011, Koch Filter Corporation, Louisville, Kentucky will donate monies from specially designed HVAC air filtration products to Susan G. Komen for the Cure in support of its promise to save lives and end breast cancer forever with a donation of at least \$30,000.00. For more information, visit www.kochfilter.com or call 1-800-757-5624.

About Susan G. Komen for the Cure®

Nancy G. Brinker promised her dying sister, Susan G. Komen, she would do everything in her power to end breast cancer forever. In 1982, that promise became Susan G. Komen for the Cure, which is now the world's largest breast cancer organization and the largest source of nonprofit funds dedicated to the fight against breast cancer with nearly \$1.5 billion invested to date. For more information about Susan G. Komen for the Cure, breast health or breast cancer, visit www.komen.org or call 1-877 GO KOMEN.
