Look for the Koch Green icon!

Whenever you see the Koch Green icon, we are identifying a product that meets or exceeds our criteria in one or more of the following categories:

Earns LEED Points, Reduces Energy Costs, Extends Filter Lifecycles, Conserves Resources, and Improves Indoor Environmental Quality.

FOA PPI & Koch Filter Corporation Partnership

FOA PPI is pleased to announce that we have entered into a long-term Preferred Vendor Agreement partnering with Koch Filter Corporation (www.kochfilter.com) and recommend to the membership that all Filter products be purchased through Koch Filter Corporation. This agreement aligns with our Group Purchasing Organizations efforts to aggregate our members demand, save money on every purchase, reduce the number of our avendors and drive costs out of our businesses.

Introduction to Koch Filter

- Koch Filter was founded in 1966 and offers the industry's broadest range of air filters for any application
- Koch Filter product line ranges from fiberglass disposable filters to 99.999% HEPA filters, making the Filter product line is one of the world's most complete
- Factory locations are in Louisville KY, Houston TX, Rancho Cucamonga CA and East Greenville PA
- Over 25 Field Sales Offices and Technical Support locations throughout the US
- Dedicated PPI major account representatives with local sales and branches for exceptional service
- Worldwide sales include exports to 25 countries, with joint fabrication efforts in several nations
- Koch Filter makes every attempt to utilize the most economical means available to ship your order
- Pride themselves on their ability to be flexible and make decisions based on Customers' needs
- Maintains a partnership with customers and suppliers to improve products and processes (open door policy)
- Goal is to be the low-cost producer in the industry

FOA PPI has agreed to the following

- Promote Koch Filters as PPI's Preferred Vendor for Filters
- Recommend to its members that all Filter products are purchased through Koch Filter
- Offer Koch Filters quarterly opportunities to present business updates to PPI members
- Work strategically and tactically with Koch Filters to expand our relationship helping to win new members, reduce members costs while providing exceptional value to the members

Please support FOA PPI and Koch Filters by honoring this Agreement
