

A-8 & HEPA Holding Frames, Clips and Latches

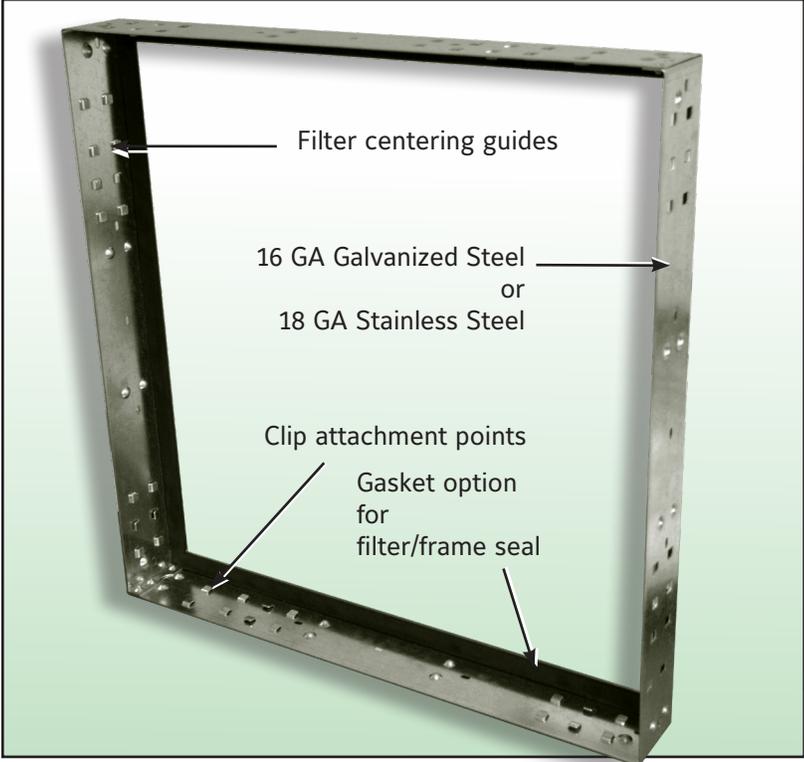

HEPA Filter Frames

Koch Filter offers the HEPA filter holding frame in several standard sizes. Each can be used individually or in combination to fit just about any size filter bank. Holding frames are available with gaskets, upon request, to seal between filter and frame, minimizing air bypass. Available in 14 gauge galvanized steel and 16 gauge stainless steel. Frame includes 4 adjustable legs for filter depth support and work to prevent air bypass.

HEPA Frame			
Size	Seal	Part No. 14 ga. Galv	Part No. 16 ga 304 SS
12 x 24 x 3.75	Gel Seal	122-504-1223	122-514-1123
12 x 24 x 3.75	Gasket Seal	122-505-1123	122-515-1123
12.63 x 24.63 x 3.75	Gel Seal	122-504-1224	122-514-1224
12.63 x 24.63 x 3.75	Gasket Seal	122-505-1224	122-515-1224
24 x 24 x 3.75	Gel Seal	122-504-2323	122-514-2323
24 x 24 x 3.75	Gasket Seal	122-505-2323	122-515-2323
24.63 x 24.63 x 3.75	Gel Seal	122-504-2424	122-514-2424

16 x 20 x 3	122-608-1620	122-618-1620
16 x 25 x 3	122-608-1625	122-618-1625
20 x 20 x 3	122-608-2020	122-618-2020
20 x 24 x 3	122-608-2024	122-618-2024
20 x 25 x 3	122-608-2025	122-618-2025
24 x 24 x 3	122-608-2424	122-618-2424

Clips, Springs and Brackets for A-8 Filter Frames

Part Number	Material	Application	Model #	
122-713-003	Galvanized Steel	Secures a 4" filter or a 2" filter with a single header filter in an A-8 frame.	C-86	
122-712-003	Stainless Steel	Secures a 4" filter or a 2" filter with a single header filter in an A-8 frame.	C-86S	
122-713-002	Galvanized Steel	12" spring latch with 7/8" Tang to secure 12" deep double header filter.	C-80	
122-712-002	Stainless Steel	12" spring latch with 7/8" Tang to secure 12" deep double header filter.	C-80S	
122-713-005	Galvanized Steel	6" spring latch with 7/8" Tang to secure 6" deep double header filter.	C-90	
122-712-001	Stainless Steel	Secures a 1" or 2" prefilter or a single header filter in an A-8 frame.	C-70S	
122-713-004	Galvanized Steel	Secures a 4" prefilter in same frame with a single header filter.	C-89	
122-712-004	Stainless Steel	Secures a 4" prefilter in same frame with a single header filter.	C-89S
